Purposeful play is play with intention. It's still joyful, child-led, and engaging—but it's thoughtfully designed to build specific skills like problem-solving, creativity, collaboration, emotional regulation, and confidence. Kids feel like they're “just playing,” while adults know there's real learning happening underneath.

Given what we already do at Tosa Block Party, we're honestly already offering purposeful play — we just haven't been calling it that yet.

Birthday Parties available Saturday and Sunday between 12:00PM and 6:00PM
Request your preferred date and time and we will reach out to you within 24 hours.

Open Play AKA General Admission
Email Scott@TOSABlockParty.com to check availability and make your reservation.
